Blockade Requirements

- You are responsible for all barricading. Plans must be approved by the Public Works.
- You are responsible for all barricading materials. If necessary, you may borrow materials from Public Works and you are responsible for pick up, placement, and return. The materials must be returned in good condition in a timely manner.
- During the blockade, keep a 10-foot lane clear for emergency vehicles.
- During the blockade the person responsible must be available at all times.
- If the blockade will be in place during hours of darkness, you are responsible to have it well lit.
- The area must be cleaned of any refuse left by the activity.
- The requestor must notify the Police Department when area is cleared so an inspection can be made.
- You are responsible for submitting a traffic control plan for approval by Public Works. Please call Public Works for more information at 682-7061.
